the Rockwell Report

VOL. II No. 22 September 1, 1963

DISGRACE FOR THE WHITE RACE

BOLD VICTORY FOR NAZIS!

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

More than 200,000 niggers occupied Washington, D. C. on August 28th and the sexual pervert, convicted felon, draft dodger and "ex"-member of the Young Communist League who organized and promoted this atrocity, Bayard Rustin, stood on the steps of the Lincoln Memorial and was CHEERED by the black ocean of niggers, and by the communists, queers, kikes and cannibals from the new "states" of Africa.

More than 200,000 of them!

I saw them, --and smelled them. I saw the heaving black ocean of them, chanting, howling in the savage cadences of the African jungle, threatening what they would do if we don't give them more "civil rights".

And I saw the kind of "whites" who were in amongst them! Filthy, bearded beatniks still wearing their "shades" (dark glasses) because the morning light hurt the dilated pupils of their eyes, loaded with dope as they were. I saw the pretty blonde White girls hanging onto the strutting black bucks, the simpy look of utter liberal degeneracy in the eyes of these depraved future mothers. Hawk nosed, gimlet-eyed New York Jews, leading packs of the niggers around like trained dogs.

I saw those niggers follow their leaders in bowing their heads to "pray" in a moment of silence for W.E.B. Dubois, a COMMUNIST, -a writer for almost all red publications for fifty years, a man who denounced his American citizenship to become a citizen of red Ghana, -and one of the five founders of the NAACP.

I saw A. Phillip Randolph, whose name is on the TOP OF THE PAGE (122) of the U. S. Guide to subversive organizations, "lead" this army of treason in our Nation's Capital, with rotten U. S. "white" officials smiling happily beside him as he preached "revolution" by reds and niggers against our Constitution, laws and traditions!

I heard liver-lipped nigger Lewis of the Student "Non-Violent" Coordinating Committee use the naked, hateful language of COMMUNIST REVOLUTION, so vicious and aggressive that even the representative of the evil National Council of Churches thought it would be too much, and had to cut out portions of his speech which were still worse.

I heard this nightmare black army chanting "We Will Overcome", written by Pete Seeger, a man who may not carry a communist Party card, but probably has one someplace and has spent most of his life in Communist front activity.

I saw the unspeakable FILTH left behind all over the beautiful grass of our Washington Parks as this black swarm shuffled out. Tons and TONS of it!

But none of this really depressed me. I expected it, -and worse. And there is FAR worse to come ahead.

What DID depress me was the reaction of MY race, the White Race!

Almost every Southern congressman and official has been publicly exposing the COMMUNIST nature of this horror in Washington for months now. It is far too obvious to hide.

Millions of White Christian Americans, the vast MAJORITY of this land, HATE AND DESPISE what those niggers and communists did to our beautiful National Capital on August 28th. All the syruppy praise and nigger-tail-kissing by our Press, radio and TV cannot hide the fact that most White Americans deplore what is going on.

But they deplore it PRIVATELY.

Publicly, they curry favor with the Jews who promote communism and race-mixing by damning and cussing "Nazis".

And yet, when the chips were really DOWN, when the niggers made the first of their BIG PLAYS to take over America for Communism, out in the STREETS, where Communist plays are ALWAYS made, --there wasn't a SIGN of any White Men there to oppose them, --except the "NAZIS" so many of my race are busy damning.

Thousands turn out during Va. tour!

As I spoke throughout Virginia, pleading for counter-demonstrators to make a STAND against the red and black horror, I was CHEERED by thousands, and thousands pledged to be there with us to show that the White Man would NOT be run out of his own National Capital without a FIGHT!

If even ONE thousand had showed up to protest this unspeakable outrage, it would have put the enemy on the HORRORS. If five thousand had showed up, it would have been enough to overshadow the nigger demonstration itself, because the commies and

Jews and red niggers who planned this evil thing were sure the Whites never WOULD show up, and never WILL.

If FIFTY thousand Whites had showed up, there is a good possibility the "march" would have been called off. The enemy would not have dared to take the chance of catastrophe involved for him.

But, in fact, less than fifty of those who pledged to come ever appeared, and most of them STAYED OVER WITH THE NIGGER DEMONSTRATION BECAUSE THEY WERE AFRAID TO CROSS THE POLICE CORDON THROWN UP AROUND US!

Now there are a lot of right-wingers who are clucking happily about this and saying "I told you so!" --because they have been damning our extreme stand and our use of the swastika and the name "Nazi".

87 against 200,000

Sure we were alone in that sea of nigger treason and terror! Sure we were surrounded by a double cordon of Bobby's cops! Sure we faced the most deadly danger and we were all facing arrest and serious charges! Sure we only had 87 White Men there to protest against 200, 000 niggers!

Our "score" was only 87.

But what was the score of the "nice" organizations who do NOT use the swastika, etc. ?

How many people did Robert Welch have there as COMMUNISM, naked and arrogant, flooded the very Capital of the United States?

None. Zero.

How many people did Billy James Hargis have there to protest the first testing blow of the Soviet revolution in America?

None. Zero!

How many Americans followed Phoebe Courney, who has called me an "agent of the Communist", in a pro-American demonstration there against the worst kind of communist treason and attack?

None. Zero!

I sent a sincere telegram to Fields of the NSRP and the Citizens' Councils inviting them to take advantage of the right we had FORCED to at least BE THERE in protest, but received no answers at all.

William Hoff, one of the men who perjured to send Gary Smith to jail in Montgomery last year, issued a bold statement to the nation's press that he would be there leading an NSRP delegation, but we waited for him in vain. Warner, down in Birmingham, swore up and down that he would be there with a party flag, and I would even have welcomed this character, considering the dire need for White UNITY in the face of this nigger terror.

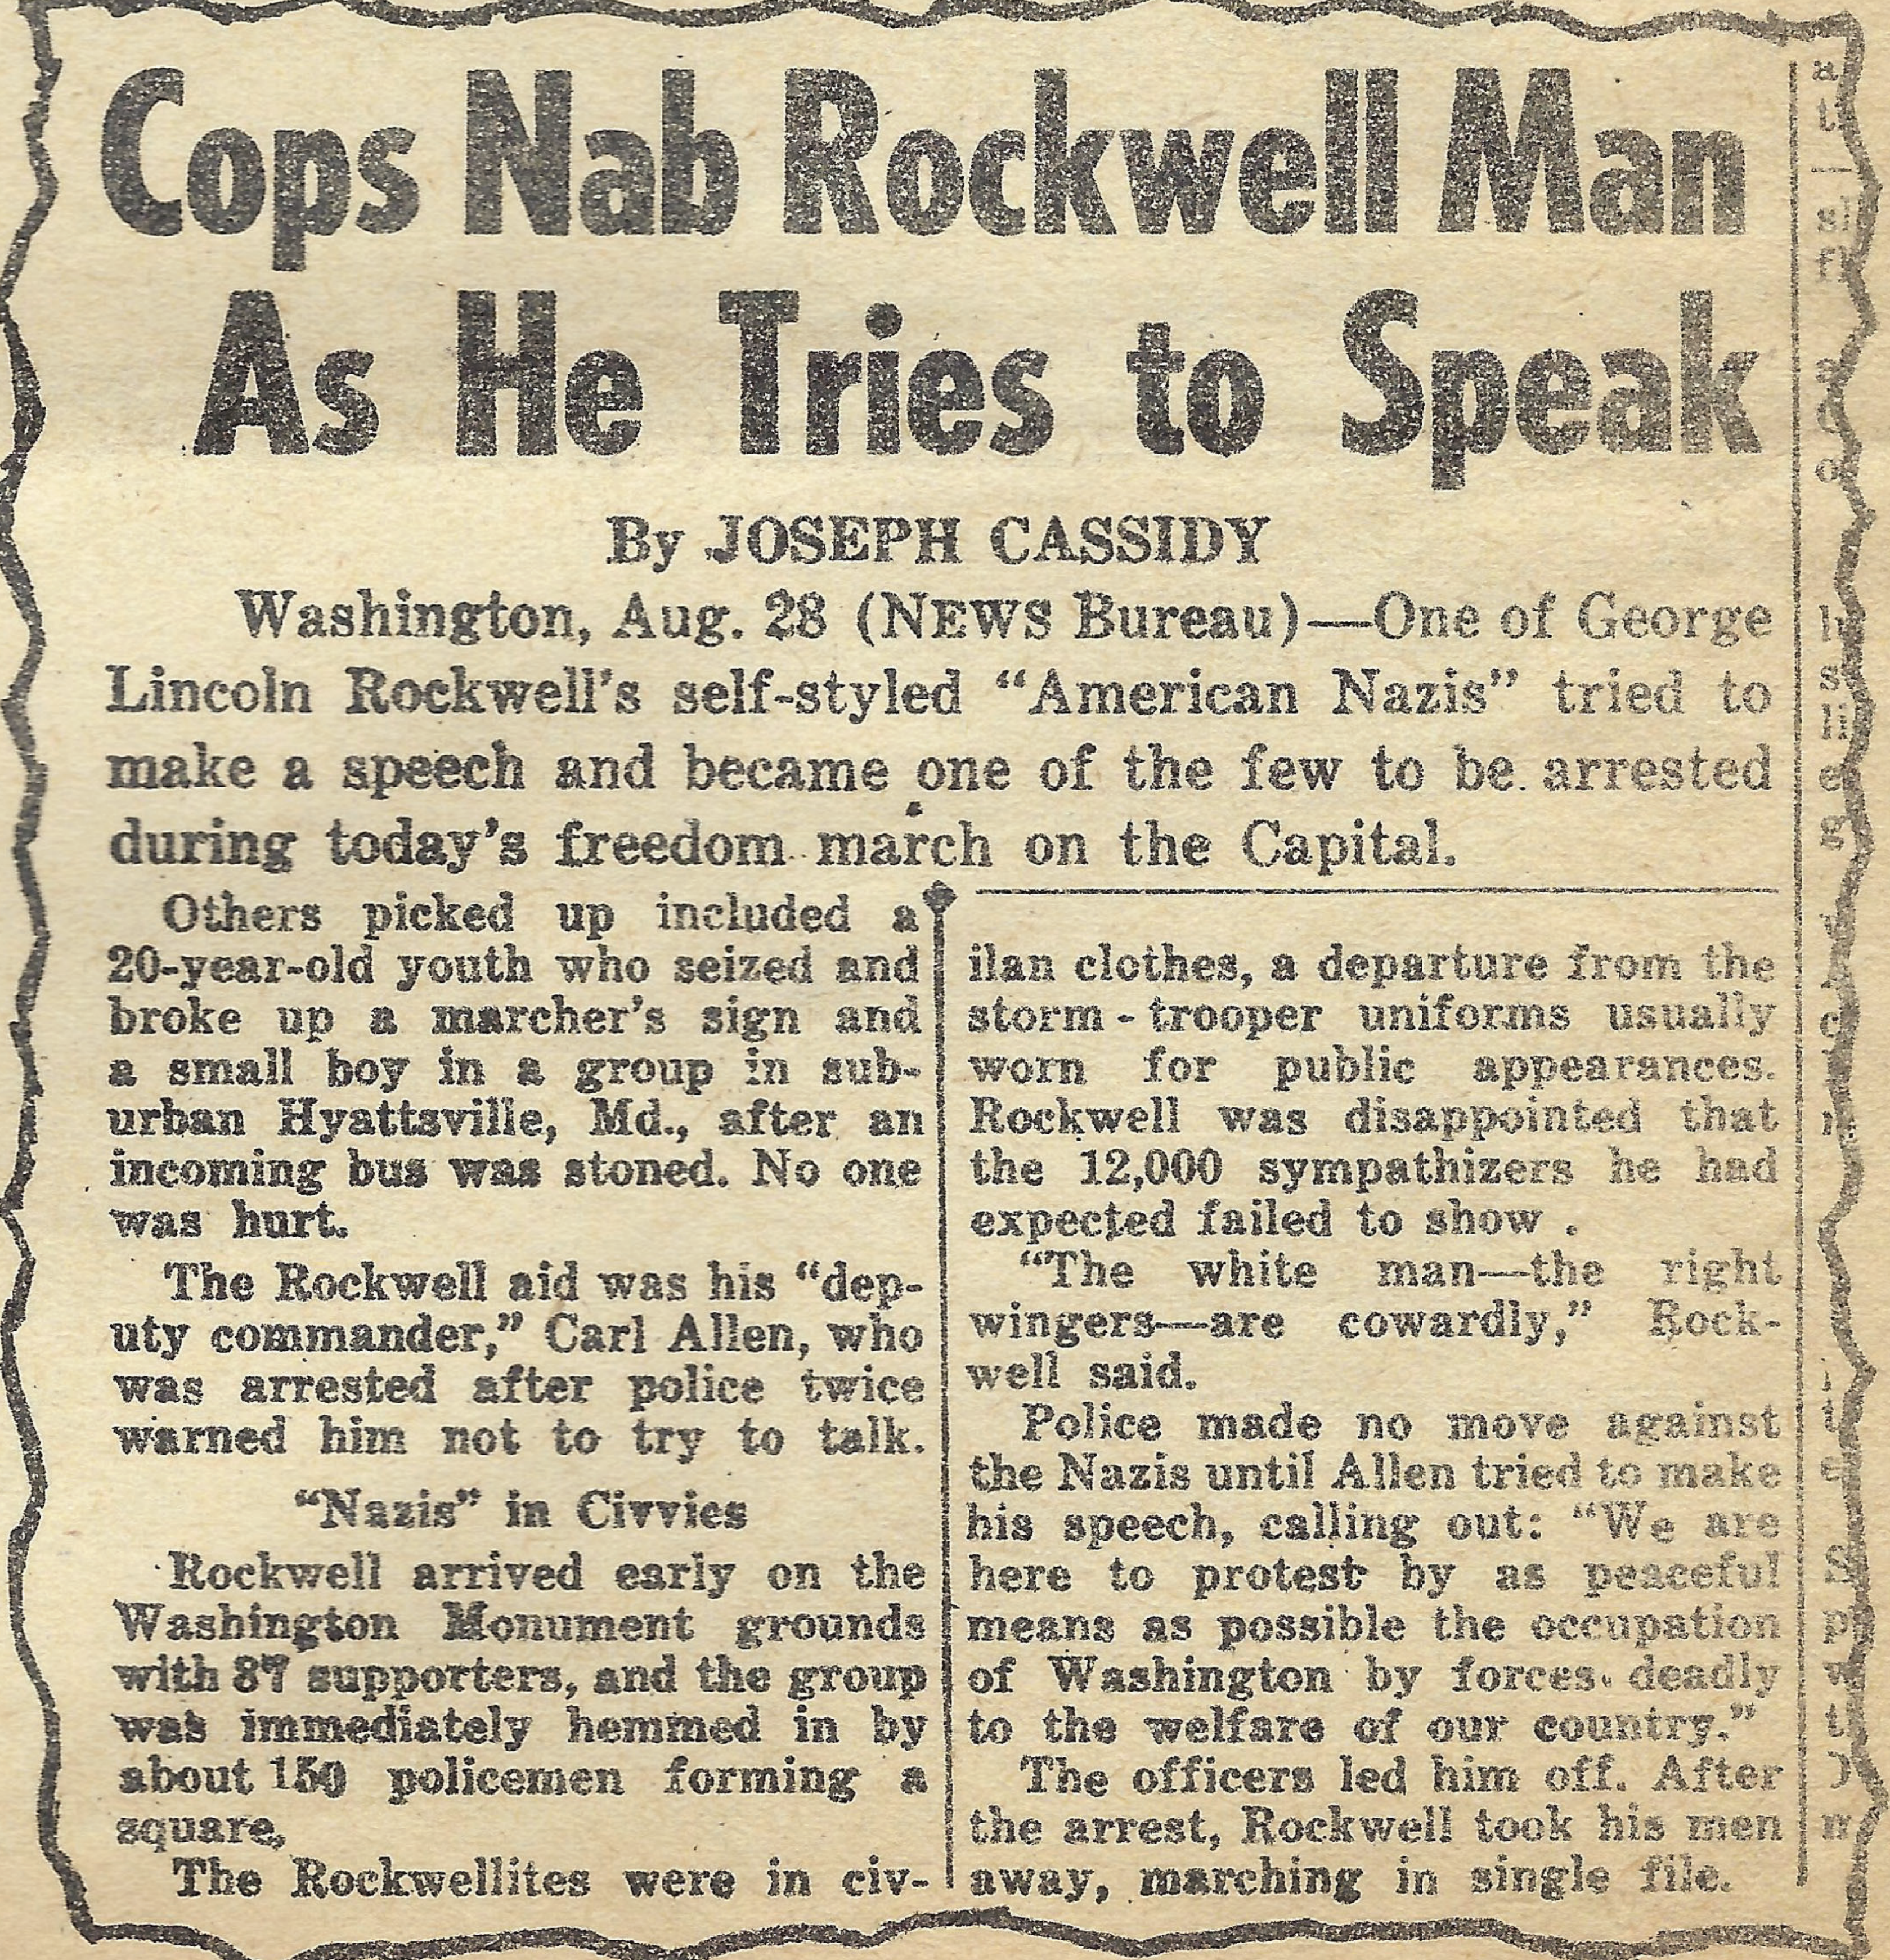
But there was no NSRP delegation, either.

In short, the people who have been preaching that we can "do it" with "nice" methods and disguises, --were all scared to death to do ANYTHING AT ALL. They choose their "nice" methods for the same reason they didn't dare BE there August 28th.

THE ONLY OPPOSITION TO MAKE A STAND IN THE MIDDLE OF ALL THAT BLACK HORROR AND TREASON WAS BY THE BRAVE YOUNG MEN --and THREE BRAVE WOMEN, -- of the AMERICAN NAZI PARTY!

Maybe our "score" was "only" 87.

But the whole rest of the right-wing scored a flat ZERO!



Cops Nab Rockwell Man As He Tries to Speak

By JOSEPH CASSIDY

Washington, Aug. 28 (NEWS Bureau)—One of George Lincoln Rockwell's self-styled "American Nazis" tried to make a speech and became one of the few to be arrested during today's freedom march on the Capital.

Others picked up included a 20-year-old youth who seized and broke up a marcher's sign and a small boy in a group in suburban Hyattsville, Md., after an incoming bus was stoned. No one was hurt.

The Rockwell aid was his "deputy commander," Carl Allen, who was arrested after police twice warned him not to try to talk.

"Nazis" in Civvies

Rockwell arrived early on the Washington Monument grounds with 87 supporters, and the group was immediately hemmed in by about 150 policemen forming a square.

The Rockwellites were in civilian clothes, a departure from the storm-trooper uniforms usually worn for public appearances. Rockwell was disappointed that the 12,000 sympathizers he had expected failed to show .

"The white man—the right wingers—are cowardly," Rockwell said.

Police made no move against the Nazis until Allen tried to make his speech, calling out: "We are here to protest by as peaceful means as possible the occupation of Washington by forces, deadly to the welfare of our country."

The officers led him off. After the arrest, Rockwell took his men away, marching in single file.

Cowardly "Leaders" FAIL again!

I should make it clear, at this point, that it is not really the fault of the individuals of our White Race that only 87 men made a stand for the White Race in Washington on August 28. It is the "LEADERS" who, in spite of tremendous funds and large organizations, dared not lay their lives and liberties PERSONALLY on the line, who are guilty of utter cowardice and shameful failure to LEAD!

Had Robert Welch, General Walker, Billy James Hargis, Gerald L. K. Smith, etc., had the moral courage to BE THERE on August 28--the courage to face JAIL and "disgrace" (instead of busily blasting me as a "tool" or "agent" of the enemy), I truly believe that many, many thousands of White Americans would have gotten up the nerve to stand with us against the Communist Black horror. But the fact is that the White Race, with the exception of the American Nazi Party, is almost completely disorganized--or rather, pitifully UN-organized. And the lone stand of our gallant 87 makes it clear that the only force CAPABLE of organizing in the face of Black Communist REVOLUTION in the streets has been proven to be the American Nazi Party!

August 28 proves that, if the White Race is to survive, only the daring men of the American Nazi Party can do it. As the fight has moved into the streets, the rest of the "patriots" have moved into their cellars and attics from whence they issue statements denouncing us as "fakes". But these gentlemen cannot erase the over-powering fact that not only was it American Nazis who responded to the deadly call to face the danger and fear on August 28, but these brave and trained and selected men exhibited IRON DISCIPLINE in the face of enormous frustration! Only those who were there can know how we ached with frustration for more than seven hours as we watched ugly black bucks taking liberties with blond White girls all around us and the filthiest kind of black scum gloating of their occupation of our Nation's Capital! Every man there longed in every fibre of his being to charge that disgusting mob--and I truly believe we could have cleaned out a good half of that mob if it were the right thing to do and Bobby's police would remember business some place else. But such actions would not only have destroyed the Party, it would have given the Communist Jews and niggers the propaganda material to utterly destroy White resistence to Communism and race-mixing. Under

g on the grounds of
n August 28, 1963.

my orders, our men stood silent and in absolute order for all those hours. And, when I gave the word, instantly fell in line behind me as we marched two miles through the streets to our parking area.

It is important to ask ourselves the question: "Why were those 87 NAZIS the ONLY members of the entire Right Wing who dared to be there on the Monument grounds on behalf of the White Race? The answer makes clear the vital difference between the American Nazi Party and the whole rest of the so-called "Right Wing".

On August 28, 1963, the Communist niggers and Jews struck America with the biggest blow yet--IN THE STREETS!

They didn't give one tincker's damn about all the "truth" and "exposures" by our side in the world!

The man who originated the march, and who organized it, Bayard Rustin, was exposed all over the nation, on the press wires, as a sexual pervert, a convicted felon, a draft dodger who wouldn't fight for his country, and an "ex"-member of the "Young Communist League"!

The Commander marches off with 87 Nazis, The the largest openly Nazi group since WW II.

Part of the tons of trash and filth left behind by nigger marchers in our nation's capital.

AFTER all this was thoroughly exposed, with the utmost contempt for America's White Christian millions, the march leader, A. Philip Randolph, insisted on keeping this Red nigger queer as the organizer of the march and arrogantly announced that he was "Mr. March" himself!

ALL THE TRUTH AND FACTS IN THE WORLD CANNOT STOP A REVOLUTION IN THE STREET!

The John Birch Society is not designed and organized to fight revolution in the streets. The Christian Crusade is not designed to fight revolution in the streets. Gerald Smith's organization is not designed to fight revolution in the streets. The NSRP is not designed to fight revolution in the streets. None of these organizations, or any other right-wing organization, was able to put ONE MAN in the streets against an open revolutionary "MARCH".

THE ONLY RIGHT-WING ORGANIZATION IN AMERICA WHICH HAS, FROM THE BEGINNING, BUILT AND ORGANIZED TO RESIST COMMUNIST NIGGER REVOLUTION IN THE STREETS IS THE AMERICAN NAZI PARTY.

Iron Discipline

For years we have systematically gathered the toughest and most dedicated White men in the nation. Then we have weeded out, from tens of thousands of these men, the tiny few who are able, voluntarily, to subject themselves to IRON DISCIPLINE. For years, we have been training our men in open and dangerous demonstrations in the streets. Our men have learned to face raging mobs of Jews and niggers with calm resolution and have learned to march into the most deadly danger on behalf of America and the White Race. All of our men have been to jail, and many of them have been beaten. All of them have been put in fear of their lives many times while the rest of the Right Wing has been passing literature to each other, writing letters to editors and senators, and getting up petitions.

Our gallant 87 men did something more heroic on August 28 than most men do in their entire lives, just by walking onto that Monument grounds with me, when nobody knew if we would ever get home alive and most of us thoroughly expected to be arrested on serious charges, at the very least.

The American Nazi Party is the only force purposely built for combat. We are the only force in America which has been consciously built for the purpose of counter-revolution in the streets, and we are, therefore, the only force ABLE to stand up to revolution in the streets.

Had conditions been ripe for physical revolution on August 28, the niggers and Jew Communists would have stormed our vital centers as they have done in Czechoslovakia, Russia, China, Cuba and countless other victims who have fallen before Communist mobs and, in the absence of law and order, no force would have been there from the Right Wing to oppose them--save our gallant 87.

And in a few days after that, what remained of the John Birch Society, the Christian Crusade and the National States Rights Party, would be crumpling before firing squads--and that would be that. No amount of pamphlets or petitions would stop the Red bullets from blasting their brains out.

The leopard can't change his spots, and cowards are not going to get braver, as the niggers get bolder and more aggressive. There will be many, many more marches, and millions of Americans will observe that the "nice" patriotic groups all stay home while the communist revolution is GOING ON in our streets.

The 87 brave men who stood with me on August 28th made HISTORY. When the vast White, Christian majority of our Nation was under deadly attack by a filthy minority of the scum of the earth led by communists and backed by the President of the United States, -87 men came and stood like solid granite in the storming ocean of blacks against all the threats in the book. Nobody else DARED to appear for the majority. Those 87 DID, and millions of White Americans won't forget it.

Maj. Allen Arrested For Speaking!

Major Allen, surrounded by tens of thousands of niggers breaking all sorts of laws, carrying signs and singing on Park property, throwing garbage and filth all over the ground, and even answering calls of

Nature in the Parks, -was arrested for trying to speak to us. If this seems "stupid" to anybody, just reflect that by thus exposing himself to six months in prison and a $ 500 fine, Major Allen brought home to millions and millions of Americans that we were not only THERE, but that we were most foully denied the most fundamental rights, while the niggers were allowed to do almost ANYTHING without arrest. This demonstration of a naked fact is worth ten million pieces of right-wing "literature" on the subject. We even got most of the Jew press to print the immortal first sentence the Major managed to get out, "We are here to protest by as peaceful means as possible the occupation of Washington by forces deadly to the survival of our Country!"

Consider how much it would cost to have just that ONE sentence printed in thousands of newspapers and reported on hundreds of TV and radio stations, if patriots had to PAY cash for it. We paid for it in risking our LIBERTY, and possibly more, and reached MILLIONS of Americans with HOPE.

On balance, here's what we got out of our two month campaign in Virginia, and our stand in Washington on August 28th.

1. The gathering and march by 87 Nazis was the BIGGEST demonstration in the WORLD, since World War II, by open NAZIS.

2. We forced the niggers to abandon their plan to march up Captitol Hill by our determination to stand and block such an illegal move.

3. We reached millions of Americans and drove into their minds the fact that when the chips were down for the WHITE RACE, only the American NAZI Party was there to defy the enemy and make a stand for the White Race!

4. We won millions of dollars of free press space and TV time, at the cost of almost nothing to our side, and free use of Jew facilities.

5. We FORCED the Kennedy machine to permit us to assemble on the Washington Monument grounds in spite of the most incredible pressure against us, and we were visible to the enemy as evidence that they will have to reckon with us every time they stick up their ugly burr heads.

6. We reached hundreds of thousands of good, White Virginians, and proved that open "Nazis" can turn out huge, cheering crowds. And if we could do that, we can also muster the signatures to run for public office. And if we are on the ballot, the same White Men who did not dare come to Washington to face Bobby's policemen and jails, and the black mob, WILL mark a secret ballot for the ONLY candidate who dared to stand up for the WHITE RACE in the face of everything the enemy could throw at us.

7. Perhaps most important of all, WE SAVED THE WHITE RACE FROM THE UTTER DISGRACE OF BEING RUN ENTIRELY OUT OF OUR OWN NATIONS CAPITAL! WITHOUT US, THERE WOULD HAVE BEEN NOBODY THERE AT ALL ON BEHALF OF THE WHITE RACE!

THE MARCH... RAPE AND MURDER

Blonde and beautiful Janice Wylie worked for Newsweek in New York. The slim, 21-year-old girl was taken in by the constant propaganda for "human dignity" of cannibals and "brotherhood" with savage blacks. So she announced to her boss that she was going to Washington to march with the niggers last Wednesday.

But she never kept the date.

Instead, she kept a date with death.

And a horribly savage and bloody date it was!

Slender, attractive Janice was a quick-witted, lively girl, popular wherever she went. She had ambitions to become an actress, and had played feature roles in summer stock theater. "A marvelous girl" was the way her friends described her.

Janice moved to N. Y. for a job with Newsweek, recently bought out by the Jewish Washington Post combine and turned into another super-liberal, race-mixing Jewish sheet. This was to influence much of her thinking.

Janice left word she wouldn't be coming into the office for work that day. She would participate in the nigger march for "rights" in Washington.

She never made it.

She was found slashed to death and lying in a pool of her own blood in the bedroom of her New York Apartment. Her nude body had been carved up while her arms were bound around her waist with strips of sheeting from her own bed. Bound to her with more sheeting was her roommate, who had apparently returned and surprised the monster in the act. Both were brutally slain in the style typical of savage nigger rapists and killers. Janice had been helplessly bound and then her nude body repeatedly slashed open. The eventual cause of death was the deep, foot-long gash which ripped her abdomen open.

Janice, who was a neice of writer Phillip Wylie, lived in a neighborhood which had been a steady target of nigger robbers and rapists. Neighbors complained constantly of the black terror in the neighborhood. They emphasized this when police started hunting the killer, who they termed "psychopathic".

But whether or not the vicious killer was a psychopathic escapee, a sex-crazed monster, or the usual nigger thug and rapist, -the real issue is not "who?" --but HOW?

The real issue is that the blood-thirsty killer was spawned and NURTURED by our SICK, Judaized society, which cares little for white victims, and pampers and toadies to black savages and criminals.

In this society, which attempts to equate savage, stupid cannibals with decent White Men, nigger sex-killers, bandits and robbers are always portrayed as innocent and misunderstood souls, the victims of "discrimination" and "lack of opportunity", etc. Organized degeneracy is portrayed by our Jewish dominated media of information as "culture" and murderers and felons are treated with kid-gloves out of "humanitarianism". Our police forces are weakened and emasculated because the enemies of society constantly howl about "police brutality", until a policeman who does his duty and shoots an escaping crook is often tried for murder, under pressure from the nigger organizations.

It is our Judaized and NIGGERIZED Society which killed Janice Wylie and her roomate, by BREEDING tens of thousands of nigger rapists and murderers and turning them loose on our streets again and again after the police catch them and bring them into court.

That poor, sweet, trusting Janice should be on her way to attend the very "march" designed to spawn more of the filth which was the cause of her murder should serve to undeline the deadly SICKNESS of our Jew-ized, equalist society.

The fact that hundreds of thousands of good-hearted, beautiful White "Janice"'s all over America are being sucked into this evil, black nightmare on behalf of Jewish "tolerance and brotherhood" should bring into stark relief the urgent need for radical means to STOP THE HORROR!

The tragic story of poor Janice who never made the march is one side of the ugly picture, but there is another, still uglier side. There is the story of another White girl who DID make the march, the 22-year-old White, female "field director" for the ultra-communistic Student "Non-violent" Coordinating Committee, who came to Washington to march with the niggers from her home in Cinncinnatti, Ohio.

She was RAPED by one of the "demonstrators"!!!!

In tears and terror, she reported the rape to the police.

Then the Jewish engines of lies and suppression went into effect! "No arrests among the demonstrators" was what the Jews wanted, and they were determined to get it, even if a RAPE were covered up. The whole thing was hushed up in a matter of hours.

But not before we learned of it and got on the track.

Nigger march headquarters refused comment one way or the other! Police, of course, could say nothing without charges. And the "charges" suddenly DISAPPEARED! The only thing we could uncover was that the Sex Squad of the Metropolitan police confirmed she was a White girl!

Americans can guage what we are up against in this filthy nigger revolution when a RAPE, in broad daylight in the middle of nigger march can be instantly whisked from public view, charges dropped, and the press boast, "not one demonstrator was arrested". -There is at least one who ought to be HANGED!

American NAZI Party
